(ii) Such conferment of temporary status would be without reference to the creation/availability of regular Group 'D' posts.

(iii) Conferment of temporary status on a casual labourer would not involve any change in his duties and responsibilities. The engagement will be on daily rates of pay on need basis. He may be deployed anywhere within the recruitment unit/territorial circle on the basis of availability of work.

(iv) Such casual labourers who acquire temporary status will not, however, be brought on to the permanent establishment unless they are selected through regular selection process for Group 'D' posts.

5. Temporary status would entitle the casual labourers to the following benefits:-

(i) Wages at daily rates with reference to the minimum of the pay scale for a corresponding regular Group 'D' official including DA, HRA and CCA

(ii) Benefits of increments at the same rate as applicable to a Group 'D' employee would be taken into account for calculating pro-rata wages for every one year of service subject to performance of duty for at least 240 days, 206 days in administrative offices observing 5 days week) in the year from the date of conferment of temporary status.

18/5/15

(iii) Leave entitlement will be on a pro-rata basis at the rate of one day for every 10 days of work, casual or any other kind of leave, except maternity leave, will not be admissible. They will also be allowed to carry forward the leave at their credit on their regularisation. They will not be entitled to the benefits of encashment of leave on termination of service for any reason or on their quitting service.

(iv) Maternity leave to lady casual labourers as admissible to regular Group 'D' employees will be allowed.

(v) 50% of the service rendered under temporary status would be counted for the purpose of retirement benefits after their regularisation.

(vi) After rendering three years' continuous service after conferment of temporary status, the casual labourers would be treated on par with temporary Group 'D' employees for the purpose of contribution to the General Provident Fund, and would also further be eligible for the grant of Festival Advance/Flood Advance on the same conditions as are applicable to temporary Group 'D' employees, provided they furnish two sureties from permanent Government servants of their Department.

(vii) Until they are regularized, they would be entitled to Productivity Linked Bonus/ Ad-hoc bonus only at the rates as applicable to casual labourers.

6. No benefits other than those specified above will be admissible to casual labourers with temporary status. However, if any additional benefits are admissible to casual workers working in Industrial establishments in view of provisions of Industrial Disputes Act, they shall continue to be admissible to such casual labourers.

7. Despite conferment of temporary status, the services of a casual labourer may be dispensed with by giving a notice of one month in writing. A casual labourer with temporary status can also quit service by giving a written notice of one month. The wages for the notice period will be payable only for the days on which such casual worker is engaged on work.

8. Procedure for filling up of Group 'D' posts

(i) Two out of every three vacancies in Group 'D' cadres in respective offices where the casual labourers have been working would be filled up as per extant recruitment rules and in accordance with the instructions issued by Department of Personnel and Training from amongst casual workers with temporary status. However, regular Group 'D' staff rendered surplus for any reason will have prior claim for absorption against existing/future vacancies. In case of illiterate casual labourers or those who fail to fulfill the minimum qualification prescribed for post, regularisation will be considered only against those posts in respect of which literacy or lack of minimum qualification will not be a requisite qualification. They would be allowed age relaxation equivalent to the period for which they have worked continuously as casual labourer.

18/5/15

9. On regularisation of casual worker with temporary status, no substitute in his place will be appointed as he was not holding any post. Violation of this should be viewed very seriously and attention of the appropriate authorities should be drawn to such cases for suitable disciplinary action against the officers violating these instructions.

10. In future, the guidelines as contained in this Department's OM dated 7.6.88 should be followed strictly in the matter of engagement of casual employees in Central Government offices.

11. Department of Personnel and Training will have the power to make amendments or relax any of the provisions in the scheme that may be considered necessary from time to time.

Information sought under RTI Act- 2005

Name & Address of applicant:

Shri Mahanand Joshi, 145 A, Pocket-C, Mayur Vihar Phase-II, Delhi-110091

Query:

- i. What is monthly Wholesale Price Index (WPI) of "Bars and Rods"
- ii. What is WPI of "Bars and Rods" with reference to base year 2004-05.
- iii. Is structural Steel covered under WPI of "Bars and Rods"?
- iv. Are MS Reinforcement & M S Pipes covered under WPI of "Bars and Rods"?
- v. If answer to Q no. iii) & Q no. iv) is No then can WPI of "Steel rods be applied for "Bars and Rods"?

Reply to query:

i) and ii) The Wholesale Price Index (WPI) series has been revised by shifting base year from 1993-94=100 to 2004-05=100 and the basket of commodities has been reselected afresh in order to capture the structural changes occurred in the economy. As such, there may not be one-to-one match for all the commodities in the two series. Therefore, the "Bars & Rods" is not an item in the commodity basket of the WPI series base 2004-05=100, which was launched on September, 2010. Thus, this office cannot suggest equivalent items in the series with base year 2004-05 for "Bars & Rods" in 1993-94 series.

iii) and iv) As per our records the following items were included under the head "Bars & Rods" for the base year 1993-94=100:-

1. Round Bars
2. Shell Bars (Tested)
3. Bars & Rods
4. C.T.D. Bars
5. Plain
6. Bars & Rods (Spl. Steel)
7. Bars & Rods in Straight (Length upto 25 mm) ISI-226

Thus, this office cannot suggest equivalent items in the series with base year 2004-05 for "Bars & Rods" in 1993-94 series.

v) The information regarding "steel rods" of WPI does not constitute 'information' as defined under Section 2(f) of RTI Act, 2005. As per DOPT guideline dated 25th April, 2008 para 9 on page no. 3, it is stated that "The CPIO is not supposed to create information; or to interpret information; or to solve the problems raised by the applicants; or to furnish replies to hypothetical questions"
