Note : The DPIIT releases index numbers of wholesale price in India on monthly basis on 14th of every month (or next working day) with a time lag of two weeks of the reference month, and the index numbers is compiled with data received from institutional sources and selected manufacturing units across the country. Provisional figures of WPI is finalised after 10 weeks (from reference month), and then frozen (finalized) thereafter.

**The calendar is updated on the first working day of each month.
